

ADAPTIVE HUNTING GEAR

Many people with physical disabilities are discovering with specially designed assistive technology they can hunt! The Arkansas Disabled Sportsmen Association, together with the Arkansas Game and Fish Commission, plans special hunts for individuals with severe physical impairments, with the use of a hydraulic hunting blind and other special equipment to accommodate even power wheelchairs. Interested participants are selected by lottery.

Adaptive Hunting Gear Links:

LM 100 Mount - www.adaptiveoutdoorsman.com/handicaphunting

Useful for: Individuals using a wheelchair with limited arm movement or strength.

Mounts to almost any brand wheelchair to hold pistols, crossbows, rifles and shotguns.

Alamo Four Star - www.alamofourstar.com Loss of limb function and mobility can be offset by adaptive equipment and adapted hunting techniques. Assist challenged outdoorsmen by providing quality adaptive shooting devices, while maintaining affordability.

All About Game - www.allaboutgame.com - Hunt deer in the morning and waterfowl in the afternoon from the same blind. Full access door for easy wheelchair accessibility.

New Height Technology - www.newheightstechnology.com - The Beanstalker handicap accessible stand can be used to travel down the interstate and then pulled into the woods with your ATV. With the push of a button, it elevates to a height of 12 feet.

Eureka Freedom Tent - www.eurekatent.com - Tent designed through the culmination of ergonomics, universal design principles and assistive technology for the first camping tent for use by people with disabilities.

Hickory Creek - www.drawloc.com - Draw-Loc, the first foot-drawn locking compound bow. Fits any compound bow, attaches easily and has a patented safety release to prevent accidental firings.

Hunt Comfort - www.huntcomfort.com - Blue gel inserts provide maximum support and comfort for all hunters with disabilities.

Mount-N-Shoot - www.mountnshoot.com - A modular shooting system design to attach to a wheelchair. You can rotate the firearm in any direction and sliding the mount along the top rail allows for quick aiming with little movement.

The Wonder Wagon- www.foxworthyoutdoor.com - A small utility trailer that has been converted to a platform for wheelchair hunters and their partner.

Tree Glider - www.treeglider.com - Wheelchair friendly deer stand that climbs the tree, drags deer back to the stand, lifts it for leaning and lifts it higher for loading. Rides in the receiver hitch of your truck, cart or quad.
